James was said to be in North Carolina by the 1780's and is in records as a patriot of the Revolution. He received pay for some service, unknown as to type. James was the first McClenny found in the Duplin County (part of which became Samson County in 1784) area of North Carolina.

No conclusion can be made regarding the division of James McClenny's estate. Johnston County records from 1798 to 30 November, 1801 are missing. Sampson County minutes and other court records have not yet been examined.

His date of death is surmised based on dates in his will which is on record 1793, Johnston County, North Carolina. His will, which was dated 27 November, 1792 and was proved on 27 August, 1793 states:

WILL of James McClenny

He married SARAH CATHERINE CARR 09 May 1871 in Dothan, Houston County, Alabama. She was born 08 Jan 1854 in Barbor County, Alabama, and died 06 Jan 1939 in Hawkins, Wood County, Texas.

Notes for THOMAS CHARLES MCCLENNY:

Descendants report his birth in two separate locations, Barbour County, Alabama and Dothan, in Houston County, Alabama. Thomas grew to manhood in Dale County, Alabama.

Thomas met Sarah in February, 1871 and they were married three months later at James S. Carr's by Elder J. H. Meddley. The marriage was witnessed by W. L. McGelvra and M. C. Marsh. It is thought he was a minister in the 1871-1878 time period.

They moved to Texas in 1899 after his oldest son, Thomas Burkhart, had been to Texas and scouted out an area to move to.

At one time Thomas served as the Moderator for the Pyron Church as he was a Baptist minister.

The following quote, was copied verbatim from a copy of the letter printed in the Primitive Baptist, Vol. XLV, 4 December, 1930. The letter was written on 30 July, 1930.

"In conclusion will state that my own age is 81 years, 4 months, and 8 days at this writing. My wife's age is 76 years, 6 months, and 8 days at this writing. There are many other things I would like to say, but I can't say them now, and perhaps never will.

There is one other thing I will mention, and that is , that we are in the Laodicean state of the church, while I am not uneasy, but that the Lord will take care of all the Father gave Him in the covenant of redemption. I would ask, in as humble a manner as I know, an interest in the prayers of all the saints. May the Lord bless, direct, and comfort all His beloved Zion, is my humble prayer.

If any of my old acquaintances in Alabama see this, I would like to hear from them personally,

T. C. McClenny  
Rt. 4, Mineola. Tx."

The following is taken from "McClenny Genealogy 1816-1993 (Generation I & II)"

"Each summer Pap (Mr. Farmer) insisted that we children attend singing school. Grandpa put my knowledge of music to good use by teaching me to play the pump organ. Grandpa was a healthy strong man, but as his health failed in his late 80's, he was bedfst for six months before he passed on. Some of his children were always at our house during this sim months and sometimes many of the children were there. The night that Grandpa passed

away, he asked for all of the children. All the children gathered around his bed, Grandpa sat up in the bed and preached for several minutes, then he shook hands with each one. After a few more minutes he lay back on the bed, he passed away about sunrise the next morning."

He is buried in Smith Cemetery, which is located about 4 miles NE of Hawkins, Texas in Wood County and is behind the Pyron Primitive Baptist Church.

Thomas and Sarah are in a gravesite covered by a tin roofed structure because Thomas never wanted it to rain on his grave.

Notes for SARAH CATHERINE CARR:

The following is taken from "McClenny Genealogy 1816-1993 Generation I & II).

"Memory Sketch by Donnie

After Grandma and Grandpa moved to Smith Community, they lived in Pap's rent house. When I was a young teenager, Grandma had pneumonia, Grandpa went to Hawkins to "fetch the Doctor". I stayed with Grandma, she was suffering so badly that she begged me to get her up so that she could breath, I did. I put her in a rocker in front of the fireplace and wrapped her in blankets. I took a towel and poured coal oil, alchool, vaseline, castor oil, and maybe another item or two that was on the mantel piece, heated it and placed it on her chest. Soon she began to breath normally and her cough quieted. Doctor Beavers and Grandpa were quite amazed when the returned, of course I was reprimanded. After that winter, they moved into the house with us.

Grandma was a very fine seamstress, she crocheted, knitted, tatted and quilted. I enjoyed trying to do everything that she did, but sewing was the only thing that I really accomplished well.

Grandma was a very small frail lady, but had a very strong and mischievous character, she dipped snuff. I remember how she had the boys cut her little black gum branches, we chewed the joint end to make a brush so she could dip her snuff. I thought it would be so great to be a Grandma so that I could sit & dip snuff with that little brush.

She was buried in Smith Cemetery in Hawkins, TX.

Notes for GUY GUSTAVUS MCCLENNY:  
His daughter, Faye McClenny Griffin, wrote:

"My father was Guy Gustavus McClenny (1891-1968). He was a man of tolerance and slow to anger. Music and laughter were as much a part of his life as sun and rain are of the day.

Playing the piano and singing were a big part of his young years. He taught some of the then popular singing and music schools held by churches during the summer; and was always available to sing, lead, or play for the "all day sings" or regular services - and was active in that regard in his retirement years tho not as frequently at the piano as with singing.

Through all the years, he retained a love of the soil, gardening wherever he lived. He planted rose bushes the day he died.

Although he was born in Texas (the family returned to Alabama when his mother died), he grew up in the "House that Grandpa (his grandfather, William Marion McClenny 1814-1886) built" in Henry County, AL. At the time the house was built, folks came from all around to see it since it was the first in the area with glass paned windows.

Prince William County, VA

Reported in: The Washington Post, 13 Oct 1997 pg B2

A Warrenton man was killed Saturday night in a one-car accident in Prince William County, according to Virginia State Police. The man, identified as Jesse Michael McClenny, 31, was driving east along Linton Hall

James McClenny & Martha (x)

Road, north of Rocky Run Road, when his pickup ran off the road, said Sgt. William Hill.

The truck hit a dirt embankment, then flipped over as it rebounded backward. The driver was partly ejected from the vehicle, Hill said. The cause of the accident, which occurred at 6:42 p.m. had not been determined yesterday, Hill said. He said the weather was clear and that it did not contribute to the accident.

District Hires New School Resource Officer

By Kenneth L. Skierski, Staff Writer

Mar 10, 2005, 10:24

At the end of last school year the Van ISD School Resource Officer Jeremy Price resigned for a position in Brownsboro. Since then the district had been without the services of an SRO, until recently.

On March 1 Jeff McClenny began his duties as the VISD SRO.

This is a great school district and I imagine a lot of qualified people applied for this position,” said McClenny about his hiring. “The district saw something in me and here I am. I am very happy to be here.”

VISD SRO is not McClenny’s first SRO position.

McClenny graduated from Lindale High School in 1989.

He attended Tyler Junior College and after receiving his associates degree spent some time at Sam Houston before moving back to the Lindale area.

In 1993 McClenny worked for East Texas Medical Center as an Emergency Medical Technician (EMT). In 1994 he received his Texas Commission on Law Enforcement Officers Standards and Education (TCLOSE) certification. It was not until 1999 that McClenny took advantage of an opportunity to become an SRO.

In ‘99 I was given an opportunity to go into law enforcement full time,” explained McClenny. “I took a position as the resource officer in Lindale and worked there for two years.”

After two years with Lindale ISD McClenny went to work for Smith County as a patrol officer for a year.

Lindale called me and made me an offer that I couldn’t turn down,” stated McClenny. “So I went back to work for the school district.”

On his second stint at Lindale ISD McClenny spent three years as the SRO until he was hired to the position in Van March 1.

McClenny is married to Kena McClenny, who works for South Side Bank in Tyler, and has two children, Cameron who is eight and Kalissa who is two years old.

My first and foremost goal is to get to know these kids,” said McClenny. “One of the most important aspects of this job is to establish a rapport and let the students know who I am and that I am here for them.”

McClenny said while in Lindale he offered programs to students, teachers, staff, administrators, and parents on the topic of drug awareness.

My first task will be to go through the campuses and see where our weaknesses are,” said McClenny. “Safety of the students is one of my main priorities and knowing where we stand is the first step.”

McClenny feels that his goals as far as career have been met for the most part. “I am continuing my education at LeTourneau University,” said McClenny. “And I am working in the two areas I love the most – law enforcement and working with kids.”

McClenny’s office is located on the high school campus. McClenny says he has an open door policy for the students and the community.

My office door is always open and I hope students and members of the community will contact me for any reason,” said McClenny.

For more information or to contact McClenny call the Van High School at (903) 963-7216.
